

**CANDIDATE FOR TOWN COUNCIL MEMBER
TOWN OF APPLE VALLEY**

NAME: JILES SMITH

AGE: 44

OCCUPATION: State Fraud Commissioner

Hello, my name is Jiles Smith,

As a resident of Apple Valley for over 10 years, I believe in alleviating undue taxpayer burdens by working with Community Based Organizations, faith-based organizations, and Local Bussiness.

My commitment to civic activism runs deep. My formation of a successful Community Based Organization which serves hundreds of children in our town has proven I am committed to the task. I am a board member of the Community Activities League. I also work closely with local police and firefighters to provide children with alternatives to gangs and drugs. I was appointed by Governor Arnold Schwarzenegger to the California Workers Compensation Fraud Assessment Commission. Also I have been endorsed by California State Insurance Commissioner John Garamendi, current candidate for Lieutenant Governor.

I am known for getting things done. I am a fiscal conservative who believes in controlled growth for our community. As a council member, I will work to create a plan for sustainable growth for all our citizens. By working together, we will get the jobs, parks and road improvements necessary to secure a great future for our town and children.

I ask for your vote in the General Election on November 7.

Jiles Smith

Commissioner, Workers Compensation Fraud Assessment State of California
